just an fyi, [REDACTED] said she went to clean 10N this morning and walked on someone sleeping. I'm assuming it must have been Jen. I sent Jen an email asking her if it was and haven't heard back. I'm sure [REDACTED] told you this already, but wanted to make sure you knew. I know Jen's furniture was all delivered yesterday, so not quite sure why she was still in 10N..
