So sorry! I totally forgot about Ion until just now. I booked him on the =merican flight at 2:10pm, but I haven't told JE yet. He is already in =ed, so I sent him an email which I'm sure he will get early in the =orning. I'm guessing Ion will need to fly home regardless of what JE =ays because of his mother? I just don't like booking flights without JE =pproval.. Regardless, I have booked it and just waiting for the =onfirmation email.. =?xml version=.0" encoding=TF-8"?>
