Could I please get some measurements of JE's bedroom lamps. I'm looking for lamp shades in PB..
I know the main circle part of the lamp is 16" in diameter. I think I will just need the measurement between the top of the lamp and where the decorative part begins=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
