went over a few things with JE on Saturday. He had a few questions that =m hoping you two can help me with:  
Did the 5 fans get ordered for the info center?

He is wondering when Nick will be going to LSJ to fix the projector It looks like the Chill room will be ready for Ion before May 23rd. Why =s he going down so late? Can he go down earlier?

Were wild flower seeds put in the hydro seed as he had asked?

Gary, he is wondering if you can try and source the pool tile somewhere =n California?
