Hi =im,
JE has approved these quotes and would like to proceed in =anufacturing these rugs.

A few notes..

The =lue color for the master bathroom has been changed to BL 202. (I =elieve you should have a new sample in that color for me very =oon) The blue for guest bedroom #1 is BL 216 The =avender for guest bedroom #2 is PR413 The tan for guest =edroom #3 is GL212

Is it possible to see cad =ock ups of these rugs in the selected color ways?

Thank =ou!
