I went and played with Balls this morning, fed her, refilled her water and had her do tricks for treats. ; ) I will take her for a nice long walk when I get home later. She was SOOO excited to see me.  
Thanks for the goodie bag..

Aww, thank you, thank you! I left her with all her goodies in the apt.  
She is alone already so feel free to visit anytime :)  
I'll be back on thursday. My model friend will visit her on wednesday..

Poor balls, she is discriminated against in hotels just because she is furry =)

Agh, I found out that the hotel in Dallas doesn't accept dogs even when they are cute, tiny and well behaved..so I will try to board Balls tomorrow morning but i might have to leave her in my apt. If I do, would you be able to check on her on tuesday?

I will try to get my czech friend come see her in wednesday..
