Hi [REDACTED]

I was wondering if you could get a =urrent quote from the other company for the Dining Room Carpet. I know =rices have risen in China somewhere between 10-20% from this summer. So I am curious to see =hat their 2011 price would be for this carpet. Also, I still would =ike to know if they quoted you for 100% Silk or 100% Viscose, and if its Dull =ilk is it from the husks of the cocoon. I hope you don't mind doing =his—I'm just really curious to find out where the discrepancy is. Let me =now if you have any questions.

Thanks,
