Hi [REDACTED],  
Cosmo runs \$57 per square foot (not yard). Let me know if I may be of further help.  
Thanks,  
Vicky

Hi Vicky,  
I was just in your showroom and borrowed 2 samples of the Cosmo Fluffy bamboo rug material. My client is interested in getting 2 small rugs made of the Fluffy 7355/450. I'm wondering what the price is per square foot; I overheard you telling another customer, but forgot! I will be in tomorrow to return the samples as well.

Thank you!
