regarding room 1.. there are 4 side tables which should be on island =rom Restoration Hardware, 2 which should be put beside the bed.(the =ther 2 will be used in room 4) the 2 coconut drawers can be put on the =alls in either side of the entry door. There are 2 wooden mirrors which =hould be hung above the coconut drawers. JE wants to hang the 2 feather =ircles above the wall behind the couch. The red one should go on top, =nd the purple one below. the middle of the red feather thing should =ine up with the middle of the decorative moulding(or cornice; not sure =hat it's called) above the doors.
