I'm ordering the bathroom accessories for the flag pole cabana.

I have ordered the sink faucet fixtures, toilet paper holder, mirror and = sconces, all the same as the master bath powder room. I just need to =now what size towel rail I should order; 18" or 24"? what size will fit =est? and how many should i order?

Did Rich order all the shower fixtures for that bathroom already? There =s a box at 71st which has your name on it. I think that may be what it =s, but not sure. just want to make sure I don't need to worry about the =hower fixtures, shower head and handheld shower?
