Actually I send jojo to get one bottle each of scotch whisky and vodka the one they always ask white and red wine I think its enough. [REDACTED] you have 2 package gr color edge and rebekah moss ok ah by the way I bought glasses in crate n barrel and 3 richer for juices which I need it forget to get more cups like I m telling you if I got the chance I ll go back and look the same thing is that okey so I have a set for breakfast or whatever
