Thanks. I'm ordering the suede now. They are telling me it will come in 5-6 separate pieces, approx 14-16 square feet in each pelt. Will this be an issue with it not all in one piece?

The RGA approval sheet =ould have had the exact amount to send. Since this leather doesn't =ave a pattern then you could reference the yardage in the pricer. =sometimes more yardage is required with the chair depending on the =attern, and the factory will let us know on the =GA]

The designer is shipping 90 =quare feet, 5 yards of this leather, will that suffice for this =hair?
