Hi Rafina,  
Can you let me know how much of that yarn I should be for the curtain?  
Thanks! [REDACTED]

Quite honestly, I have no idea where to find the yarn - I would like to think  
Wall-Mart, K-Mart or even Target stores may carry it in the arts and crafts section.

Tomorrow morning around 11:00 AM would be fine for us to visit - I'm glad to hear  
you are moving forward with the fabrication.

All the best.

Rafina.

Hi Rafina,

I definitely still want to have the curtain made! I have the fabric for it, but am having trouble finding the yarn in the correct color. I have found something pretty close, which I may have no choice to use, but wondering if you have any insight as to where I might look for it?

Also, the curtain you have in your work room is the good curtain which I will be hanging back up. I have the curtain which is torn in my possession which I need you to remake.

I can bring the fabric I have to your work room tomorrow if that works for you and see what you think about the yarn I found.

Is there a good time to come by?

Best,

Hello [REDACTED]

It's been a while since I've heard from you - and thought perhaps you are not longer interested in getting the small project done.

I just want you to know, if that's the case - please feel free to come by or send a messenger to have the sample drape that is in our work room picked up - I'm sure you'll need it.

Please let me know.

Thank you.

Rafina.

Thank you Rafina,  
I am ordering the fabric and trying to source the yarn. As soon as I have both,  
I will let you know so I can come drop it off to you.  
Thank you for your help,
