HI Anthony,

Sorry it took so long to get back to you!

I am leaving town today for work, so will leave the samples I borrowed =ith my doorman if you are able to pick them up. The one I like the most =s the Engineered Ash Alpine White Item Code: EASAW4341113. The only =hing that concerns me is that it will sound a bit "plasticy" and cheap =hen you walk on it. I'm not sure if that's just because it's a small =iece and slightly glossy and it will be better when a whole floor is =nstalled. Would you have any idea?

If I could also get a quote for this floor too. Thanks so much, ▬▬▬▬▬▬▬▬
