Sorry =ean...This will need to be submitted using the COM Form. I =strongly recommend that when you send the COM Form and Sample required =hat you or [REDACTED] send it FedEx to help prevent any delays in =ustoms...Same for sending the fabric when you receive the approval =ode/number.

Can you send me a list of =options you are looking at so I can have global in Canada check on the =availability before you show the =ustomer?

Thanks
