I'm getting samples from several places=Knoll Textiles, Designtex, Ultrasuede, etc.. but I don't want to show my client any potential choices unless I know they are in stock, but I need to know the required yardage in order to check this first. Thank you.

Hi Sean

What fabric company is she using....maybe it's a grade in manufacturer...worth checking before jumping through all the hoops!

I have your authorization form,

We receive acknowledgement from Global, that the fabric is on back order and they won't have the chair until September.
