hey guys. I'm having the orange faux leather for the library panels sent directly to FTC attention [REDACTED] So you know, they didn't have one continuous piece in the 17 yards that we require, so they are sending 2 pieces; one 8 yards and one 9 yards. Just so you are aware when measuring out the cuts, I figured the 9 yard piece could be designated for the large picture window panels, and the 8 yard piece can be used for the 2 smaller windows and 2 doors. I will forward tracking info once I've received it.
