Subject: Re: My purchase list for LSJ..

Thank you [REDACTED]

It would be great if LSJ could source and purchase the mirrors for the inside of the armoire doors in rooms 2, 3, 4.. I'm guessing we may need to get a custom cut piece to install, or buy just a plain basic framless mirror if you can find one in the right size.

I agree with trying to add in some color for the covering of the small throw cushions on the benches. I wanted to do contrasting piping on the main cushion, but JE wanted all white. I will see if I can convince him to do the throw cushions in a color with white piping.. could you let me know how many yards of fabric I will need to order for these?

Thanks!

Hi [REDACTED]

Just a couple of items, straight off

Room 1 - still need to address data/phone issues with the placement of the furniture as of date

Rooms - 1, 2, 3 ,4 - no small waste paper baskets by desks?

Room 2, 3 ,4 - Confirming LSJ purchasing mirror for inside Armoire?

Room 3 - Will move furniture around as discussed on Monday take a photo & review

Will have standing lamp rewired, as of date can only be turned off by unplugging from the wall

Room 2 & 3 - Are you planning on covering the sm throw cushions on the benches in the white linen fabric?

Possible good use of color could be added

Flagpole Cabana - old movie room couch, nedd to review slip cover when next on site - reference color etc

Require more JE glasses, sunglasses (none as of date)

Custom Stationary, but require covers especially places like Pebble Beach/Info Center/Tiki

No out door umbrellas, have black metal stands

Would recommend reviewing all the paintings/photos in storage could be reframed and used in many locations

Main Compound Pool Cabana?????

Just a couple of points

Warmest egards
