Subject: Direct TV on Zorro

We have HBO with our Direct TV on Zorro. HBO now has a thing called HBO =o, where you can sign up for it and watch all the HBO shows online on =our computer. there are a few shows JE wants to watch, and I'm trying =o sign up for this, but first, I need to sign on to Direct TV to manage =he account online. Do we already have an online account for Direct TV? =f not, it's asking for the last name, phone number at the installation =ddress and the zip code for the account in order to sign up for an =nline account. Can anyone help me with this?

thanks.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN"
