Thank you for letting me know!  
Perhaps if you come back to Paris before Sunday we could schedule another time.

Dear [REDACTED]

I have been instructed by my Big Boss in Brazzaville to travel this afternoon to Brussels with a view of giving some support to the Ministry of Finance Team as to they have been negotiating a LT Loan with belgian bankers. Therefore, I cannot show up this night as agreed with Peter and Jeffrey.

Please express my deep apologies to JEFFREY and I look forward to meet him. I am really keen to do that.

I will also report to Jean-Yves Ollivier and Peter Mandelson about this appointment cancellation.

Sorry.

Best regards
