Sorry to keep bothering you about this, but I need to give an answer to my client whether or not we can order this chair in the fabric he wants, or if we will need to choose something else.
The Fedex with the sample I sent to Global was delivered on June 28th and signed for by M. Wilkie. It's been almost a month since they've received the sample..

Hi [REDACTED]

Did you hear anything on the fabric you requested with Global?
