Subject: Black frame

Hello..

I'm looking to have a photo framed in a black wood, very plain flat =rame about 4-5" wide with a 4" white matte. The photo is 30" x 40" in =ize. Do you have a black frame in that width? If so, how long does it =ake to have a frame made? I need this by Feb.1st, but won't have the =hoto ready until most likely Thursday of this week. Your thoughts?
