GE Profile 4.3 DOE cu. ft. stainless steel capacity frontload washer with Steam

Model #: PFWS4600LWW

#1429

View Product Details

MSRP
\$1499

Where to Buy

APPROXIMATE DIMENSIONS (WxHxD)
27 in x 39 3/4 in x 34 3/8 in [View Dimensions](#)

Overnight Ready

A small load is washed and ready to wear in 8 hours or less without changing the load from the washer to the dryer

Steam Refresh/Steam Assist

Steam Refresh helps reduce wrinkles and odors and rejuvenates fabrics, while Steam Assist penetrates fabrics to dissolve soils and help remove tough stains

ENERGY STAR® qualified and CEE Tier III rated

Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings

Adaptive Vibration Control (AVC)

Laundry room on the second floor? No problem! AVC adapts and optimizes spin patterns reducing vibration and sound no matter where your laundry room is located

Specialty cycles

Pre-set cycles take specific care of 24 types of specialty loads including performance fabrics, fleece, pet bedding, and bras and hosiery

eWash option

Energy-saving option uses a cold water wash on select cycles without sacrificing performance

Time Cook
Control Features

- 1.0 cu. ft. capacity - 800 Watts (IEC-705 test procedure)
- Sensor cooking controls - Automatically adjusts time and power for delicious cooking results
- Optional built-in trim kit - Achieve a custom appearance and built-in convenience with a sleek, matching trim kit
- Optional hanging kit - Installs under a cabinet to free up valuable counter space
- Auto & time defrost - Simply enter the weight of the food, and the oven automatically sets the optimal defrosting time and power level or set your desired time for defrosting
- Turntable on/off - Ideal for even cooking results or for accommodating oversized dishes that may not be able to fully rotate
- Electronic touch controls - Electronic pads on the control panel are easy to operate with just a touch
- Add 30 seconds - Each touch allows you to add 30 seconds of microwave cooking time at any point in the cooking process without reprogramming
- Kitchen timer - Oven timer can be set to countdown a specific amount of minutes to help watch the time for you
- Control lockout - Provides peace of mind by locking the oven and preventing accidental activation
- Timer on/off - Oven timer can be set to countdown a specific amount of minutes to help watch the time for you
