Hi [REDACTED].. wanted you to have as well. We are leaving for paris tomorrow for probably 2 weeks, so if someone could send me some photos of what you need as far as the US sockets, etc, I can see if I can find them today. thanks.

This is the only photo I have seen of it. I never saw it myself in person. It looks like it's hung pretty close to the ceiling and never had a chain to begin with.

If you could send me a photo of the parts you need as we are leaving for Paris tomorrow, so I can try and find them before we leave.
