You may need to take one of the bird cages out of =he box and see if there is a sticker on the bottom. The boxes aren't =here they came from.. it's just what the store put them in to deliver =hem to us. Sorry.. I just don't know how strict customs will be and if =here ends up being a sticker or something showing the country of origin =nd we declare something different...

It would be the =arge bird cages and the box with the 4 bamboo rectangular lanterns in =t. I know there is a price on the lanterns, but I'm not sure if there =s a country of origin anywhere on them. =hanks
