I'm home all afternoon. I'm here now, so you can stop by whenever. Thanks

Hi Andre=. Are you available this afternoon to come take a look at the doorframe to the door of my terrace? It is rotting and peeling and wondering if it will need to be replaced. I need to have my apt painted, but am guessing the door will need to be taken care of first

I am away but Andrew will check it out. If necessary we can have the door and frame replaced.
