Hi [REDACTED]
We have not been able to locate the glass for the coffee table in Relax room
Were you around when they packed

This is the only photo I have seen of it. I never saw it myself in =erson. It looks like [REDACTED] hung pretty close to the ceiling and never =ad a chain to begin with.

If you could send me a photo of the parts you need as we are =eaving for Paris tomorrow, so I can try and find them before we =eave.
