Subject: Re:

I know. I'm going with the same gray color that's there. It works. there =s no need to over analyze it. I'm happy with it, it looks good with the =loor. done Now I just have to figure out what color it was ;) I think I have it in a file in 10B somewhere On Jul 29, 2011, at 5:07 PM, Story Cowles wrote:

> He doesn't understand that you have been gone... You are still trying =o pick a color... You are gonna get forced into something you don't =ant... This is not his project...
