I've spoken to the guy at the school that [REDACTED] said to send the check to. He said he is not the one who the check should be sent to. He said he still does not even see her registered yet at the school. I will send her another email regarding this and see if she responds. There isn't anything we can do until she is registered and talks to the correct people.

=0A> It should be specified that payment of 3 months of tuition of all =um at once, and also payment for express  
delivery of documents.
