I spoke to rich. He has the notepad samples, so whenever you have a chance t= get them from 71st. There should also be 2 packages there for me, both hav=ng black blackout fabric in them which need to be sent to LSJ. Could you ma=be get those as well and send to the island to Karens attention? Thank you!=

I know Sieman's is in the house working and R=ch can't leave them alone. In fact, Rich had to run out a few hours yester=ay so I worked from 71st so the men wouldn't be there alone!
