That is a brilliant idea!! Do you want it purchased in Paris or NY? I am actually close by Goyard now, so can ask how long it usually takes!

Hey! So I figured out what I want JB to get me for my wedding present and he will need your help :)

I want the large white Goyard tote with my *new* initials on it. I was thinking in metallic gold or white-depending on what my rings end up being. What do you think the leadtime would be on this?
