You have a Picture Mail from [REDACTED] "<=a>"

Message:

View Entire Message

Send and receive Pictures and Videos through Picture MailSM. For more information go to [www.sprint.com/picturemail](http://www.sprint.com/picturemail).

Please be aware your friends can forward your picture, video, and album share invitations to others or post the unique web link to your share invitation on any number of sources (e.g. blogs), through which others could also gain access to your online photos. If you have private or sensitive photos you are sharing, please share them only with those you trust.
