Hey rich,
just checking.. was Adam and Dominique able to install the photo on the =th floor?
Do you know if they are back in the city, if they might be able to do a =mall project for me in my apt? I need someone to make a new cover for =y radiator and AC unit in my apt. Photos attached are what it looks =ike now, and the sketch is what I'd like it to be.
sorry to bother you with this since I know you are very busy this week!
