I spoke with Dr. Salentijn the other day, she was inviting me to participate in the demo of her project. I said that I should be back in town in March as you told me.

Hi Jeff, I was at dinner last night with Dean Stohler and Dr. Letty Moss-Salentijn who was Karyna's mentor and did the most to help her get in and finish up dental school. Dr. Moss-Salentijn is involved in Haptech development for the school. A donation/gift of \$450,000 would be appreciated if you can make a donation. I think you should do this for Dr. Salentijn and the school. Thanks Jeff. Call me to discuss.

Tom
