Subject: Lady M requests

I think we are coming over for lunch on Thursday at 12:30. If possible I would love to put in our Lady M request and if you could note it for future reference, going forward, that would be wonderful. We like the checkerboard cake, the vanilla crêpe cake and the red velvet. We do not like the coffee mocha cake. Thank you for indulging me in this very detailed and psychotic cake request. I know, I tend to be very thorough. Have a nice day.
