Subject: Work in 11P

Hi [REDACTED]
Wanted to let you know, we are starting the project with the curtain divider in 11P (same as we are doing in 8A), the workers are going to be here tomorrow, and after that it might take up to 2 months until the curtains are ready and installed (it is custom and takes a while). So ideally, it would be best to not have guests there until it is finished, unless we have to (it won't look terrible, just unfinished). We probably have another 4 to 6 weeks till 8A is done.

Thanks.
