Also, the base molding for my apt is #341 from Dykes Lumber (44th street =between 8th and 9th). a 9-10ft. piece will need to be ordered for the =ottom of the unit you are making for the AC/radiator cover.

Is this something you can order, or should I?=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
