It would be helpful if you could please include me in your travel schedule messages. People are asking me questions about baggage, boxes =or the trip, food... but I can not give them any guidance, =ecause seems like I am the only one who is unaware of your plans [REDACTED] said she is going with you, which I did not know about. Do I need to teach her about your bags, hotel protocols, necessary phone numbers, Harvard trip routine, etc.? She has been spending a lot of time =ith us recently, but I have no understanding of what her =esponsibilities are besides some basic errands and massage, if any. And =f there aren't any it is totally fine, I just would like to =now. I am not sure if she knows either. Otherwise it feels like the =usual pattern, when a new person coming in, sitting around having =othing to do and having no guidance from anyone...=?xml version=.0" encoding="UTF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
