Subject: Re: USA

Thank you very much. I am interested in the Java in Teak shower. How long does it usually take to ship out? Is it in stock, or is it a special order?

Best,

[REDACTED]

Hi [REDACTED],

We design and manufacture in France since 12 years. Our workshops are located in North West of France and we ship everywhere to USA by plane.

We are pleased to send you attached the professional export price list VAT excluded 2011 in EUROS, shipment by plane to USA INCLUDED. Price can vary according to the rate €/USD.

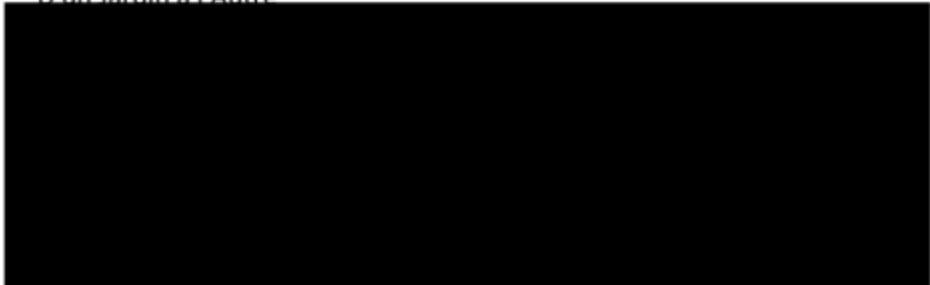

Every shower has its same that you will find on the pricing list. You will also consult the list of the possible options (rinse foot option, cold and warm water option, sandshower option, different sizes of showerhead ...)

We invite you to visit it to acquaint the complete collection and to download the catalog 2011 on our website: www.douches-de-jardins.com

If you want to receive the paper catalog by post, don't hesitate to send to us your request.

We are at your disposal for any further information or to send to you a detailed quotation on the product(s) of our choice.

In the meantime,
Best regards
Christine AUCLAIR
