Subject:	Re: 23andme kit for Jabor

Did you have to create a password when you verified your email?

> When I verify the email address it takes me to other screens asking if = am using this kit in for myself or someone else. I can click on =someone else". Then next screen asks me for the persons name... I don't =now Jabor's last name. I know it starts with a "y". Next screen asks =or his birthdate which I don't know. It seems to me I DO need to fill =his stuff out in order for the kit to be processed. Please let me know =f you wish me to merely confirm my email address or fill out the rest. = have already confirmed my email address so if this is all you need it =s complete. I am heading to Hartford for a basketball tournament so =way from my computer but have my cell.
