We can do this right away. Let me know where you want the columns. You can just mark the floor with tape. &nbsp;

Hi Anthony,

Was just wondering if you have any updates on dividing 8A with curtains and a column as we discussed?

Thank you,

Karyna

We can build the column no problem. I would contact a curtain company to measure, manufacture and install. I don't know of any.

Hi Anthony,

Attached please find a picture with a new idea from Mr. Epstein for the separation of the studio apartment 8A. it would require a curtain pole and a column like on the photo. Mr. Epstein would like to proceed with it please.

Please advise what would be the next step.

Karyna
