> Hey rich. [REDACTED] ave fedexed a sample of a french light socket which they need =n american replacement for. It's for a chandelier JE purchased in paris =or lsj that they need to rewire. they are wondering if you could =possibly try and find this in NY and buy 20 of them to send to LSJ. Last =ime they needed a part to rewire from french to US, I found what they =eeded at a place called Clarity Lights at 244 E. 77th between 2nd and =rd. The guys name is Toby. Let me know if you can do this! =hanks!!
