Subject: Bermuda trip on Friday May 6

Dear [REDACTED]

Terje asked me to contact you about his trip with family to Bermuda. He spoke with Mr. Epstein to use his plane. Would you please give me the logistic information (where they have to go? name of the plane...etc). I need it to send their arrival to the meeting organizer to pick them up at the airport. He has to be there no later than 5:30pm Bermuda time. Can you let me know the latest he can leave =Y?

Many thanks,
Jilla Moazami
