Subject: Pilots need 2 apartments

Hi Karyna. Dave and the other pilot w=uld like to stay in an apt from May 29-June 2 when Jeffrey leaves. We only h=ve 8A and 11P available. 10B is not clean and Bobby is in 7J. Could w= put the pilots in the studios and just tell them they may need to adjust t=ere time in the apt for work to be completed?
