It would be great to have measurements so Amanda can arrange how to pick the stuff up!

Thanks!

Hi Allison,

That is great news! I do not have the measurements, but I can ask our people to measure if you need. If she could pick up this week by Friday, that would be great, as we are trying to clean the house.

Please let me know.

Thank you!

Hi Karyna,

I think we have a taker (Amanda in the office:) ) for the attached three items . Do you have measurements? When does it all need to be picked up by?

Thanks!
