Hi Sean. Just checking if you know whether the last fabric I sent to Global was approved or not. I'd like to order the fabric this week if it was approved. Thanks!

The chair was not produced from Global, it was a Global mistake. I will follow up on the fabric you recently sent tomorrow.

Thanks

Hi Sean,

Just wanted to check in about the message you left me regarding Global having the chair I want in the Edelman leather Chocolate Suede. If they do in fact have the original chair design 3766 I want in the suede, I definitely want it! I'm just a little confused because I cancelled the order for the suede, but perhaps it was sent anyways? Please let me know! Thanks!

Can you get me an answer on this please.=See below

Thanks. I'm ordering the suede no=. They are telling me it will come in 5-6 separate pieces, approx 14-16 square feet in each pelt. Will this be an issue with it not all in one piece?&n=sp;

Also

Did you get me an RGA for the 5 chairs?

The RGA approval sheet should have=had the exact amount to send. Since this leather
doesn't have =a pattern then you could reference the yardage in the pricer. [sometimes mo=e yardage is required with
the chair depending on the pattern, and the fact=ry will let us know on the RGA]
