Hi Kim,

Can I please get a quote for the attached design, 12'x12' in size in the same "silk" material as Mr. Epstein's 3 other island guest bedrooms using the white color and the aqua color which I chose earlier? I've attached a photo for reference. We would like there to be 5 squares going across using the same design as Room #3's rug. Thanks so much!

Best,
[REDACTED]
