Good Morning Karyna,<=p>

I hope you had a nice long weekend.

Has Mr. Epstein made any decisions rega=ding the carpet for his plane? The hand tufted navy sample which we sent on=Tuesday May 23rd is the quality we believe is most suitable for his needs. Like I mentioned before, if he w=nts to achieve more sheen in the pile we can hand tuft wool and shiny nylon=

Let me know how I can help! I'd love t= assist in any way possible.

Best,

Dani

Hi Karyna,

Great! Did Mr. Epstein like the quality=of the sample we sent yesterday? Do you remember which ones he kept?

Keep me posted on what he likes! If you=have any questions please reach out.

You can send a messenger for the remain=er of the samples. That would be great

Thanks,

Dani

Hi Karyna, =

I hope you are well! I sent the navy blue hand tufted=sample uptown to Jeffrey's apartment yesterday. Was it received?

This sample is 100% worsted wool, with a loop tip she=r pile. This is one of the most superior carpets for high traffic areas.

Marc has agreed this is the product to use, as it is i=credibly durable. I know you had mentioned Jeffrey was looking for somethin=silk like but not silk. We can make the same navy sample with a blend of wool and shiny nylon instead of all w=ol which would add a beautiful sheen, and softness to the carpet while stil= remaining durable. Additionally, this carpet will pass all Fire testing'= and is certified for plane use.

Please let me know his thoughts. I would love to cont=nue working with you on this.

Best,

Dani
