Subject: Re: Rug for Cabana 4

Maybe it would work to turn the rugs the other way so they are wider in the room if he thinks they are too small. That I think would make them appear larger, but it may interfere with opening and closing the doors

Hi [REDACTED]

We would like to get a rug for Cabana 4 from Sacco as we did for the other bedrooms. We are concerned that the rugs in the other rooms are a little small especially because cabana 4 is larger. JE asked me to ask you what you think about the sizing of the rugs? I will also have a look at the photos of the other rooms with the rugs and all the furniture in them.

Thank you!!
