Hello from YO!

<=pan style="font-size:13.5pt;font-family:"arial",sans-serif;colo=:black">Just a quick notification to let you know that we released=a new version of the YO app for iPhone 7 and Galaxy 7 YO HOME TESTS. If you have previously loaded software these phone versions, it is important to install the new and updated version of the app on the =span style="font-size:13.5pt;font-family:"arial",sans-serif">Pl=y Store or the A=p Store <https://itunes.apple.com=us/app/yo-home-sperm-test/id1185850726?ls=1&mt=8> before you run your YO test or you may not be abl= to complete your test in some iPhone 7 and Galaxy 7 phones.

<=pan style="font-size:13.5pt;font-family:"arial",sans-serif;colo=:black">Thank YO!
